

# As The Deer

Key = D

Tempo 74

## Verse 1 :

D        A/C#                Bm        A7  
As the deer panteth for the water

          GM7                A<sup>sus4</sup> D  
So my soul longeth after Thee

D        A/C#                Bm        A7  
You alone are my heart's desire

          G            A            D  
And I long to worship Thee

## Chorus :

Bm    D/A                G                D/F#  
You alone are my strength, my shield

          G        Bm/F#                Em        F#  
To You alone may my spirit yield

D        A/C#                Bm        A7  
You alone are my heart's desire

          G            A7            D  
And I long to worship Thee

## Verse 2 :

D                A/C#                Bm        A7  
You're my friend, and You are my brother

          GM7                A            D  
Even though You are a King

D      A/C#                      Bm    A7  
I love You more than any other

                    G                      A7 D  
So much more than anything

**Verse 3 :**

D      A/C#                      Bm      A7  
I want You more than gold or silver

                    GM7      A      D  
Only You can satisfy

D      A/C#                      Bm      A7  
You alone are the real joy giver

                    G      A      D  
And the apple of my eye
