   How long must I wait, must I wait for You
Am                 F             C               G
   How long 'til I see Your face, see You shining through
     F                            Gsus4   G
I'm on my knees, begging You to notice me

I'm on my knees, Father will You turn to me
```

Chorus :

```
C                              Am
   One tear in the driving rain,  one voice in a sea of pain
FM7                            G
   Could the maker of the stars  hear the sound of my breaking heart
C                           Am
   One life, that's all I am,  right now I can barely stand
FM7                                                Gsus4

And hold my heart
```
