Bb **Eb**
Staring at this old piano

Playing through the memories that it holds

Singing through the stories that it's told
Bb **Eb**
And all the prayers that have been lifted
F
The leaps of faith, the giants slain

Desperate cries, and broken praise

Have all the songs been sung
Bb/D **Eb** **F**
Is there still room for one

Bb
Maybe one more hand in the air
Eb
Saying You are Holy
F
One more shattered heart
Eb
Singing You are good

Bb **Eb**
Maybe one more voice crying out for mercy
F
One more hungry soul
Eb
Declaring You're enough
Gm **Eb**
As long as there's breath in me
Bb/D **Eb**
Lord, there will always be
Bb **Eb**
One more song for You
F **Eb**
One more song for You

Bb **Eb**
What can I offer You but weakness
F
All my life I tried to hide

You brought it all into the light
Bb **Eb**
I'm still amazed that You would choose me
F
If You can use the least of these
Eb
Then there is no one You can't reach

Bb/D Eb F
In a world that's lost its song
Bb/D Eb F
Show them there's still room for one

Chorus

Bridge :

Bb/D Eb F
With no one here but You to listen
Bb/D
My heart is bursting at the seams
Eb F
Out of all the songs I've lifted
Bb/D
What I truly hope to see

Is one more broken life made whole
Gm Bb/D
One more prodigal brought home
Eb
What better way
Bb/F F
To praise Your name and majesty

Chorus
