Key = G

Tempo 66

**Intro :** Em C G D (x2)

**Verse 1 :**

Em C G D

There's a girl in the corner with tear stains on her eyes

Em C G D

From the places she's wandered and the shame she can't hide

Em C G D

She says, "How did I get here? I'm not who I once was

Em C G D

And I'm crippled by the fear that I've fallen too far to love"

**Pre-chorus 1 :**

Am Em D

But don't you know who you are, What has been done for you

Am Em D

Don't you know who you are

**Chorus :**

Em C

You are more than the choices that you've made

G D

You are more than the sum of your past mistakes

Em C

You are more than the problems you create

G D

You've been remade

**Verse 2 :**

Em                            C            G    D  
Well she tries to believe it that she's been given new life  
Em                            C            G    D  
But she can't shake the feeling that it's not true tonight  
Em                            C            G    D  
She knows all the answers and she's rehearsed all the lines  
Em                            C            G    D  
So she'll try to do better but then she's too weak to try

**Pre-chorus 2 :**

Am                            Em    D  
But don't you know who you are

**Chorus x2**

**Bridge :**

C    D  
'Cause this is not about what you've done, but what's been done for you  
Em  
This is not about where you've been  
D/F#  
But where your brokenness brings you to  
C    D  
This is not about what you feel but He felt to forgive you  
Em    D/F#  
And what He felt to make you new

**Chorus x2**

**Tag :**

Em                            C            G    D  
You've been remade, you've been remade

(Repeat x2)
